# University of Illinois Urbana-Champaign

Illinois has tremendous breadth and depth in academics, with more than 150 undergraduate and more than 100 graduate and professional programs.

<https://illinois.edu/academics/academics.html>

School of Information Sciences <https://ischool.illinois.edu/>

Grainger College of Engineering <https://grainger.illinois.edu/>

Gies College of Business <https://giesbusiness.illinois.edu/>

Intensive English Institute <https://www.iei.illinois.edu/>

## COVID-19 Policies for UNIST Winter Camp

**COVID-19 Information:** UNIST exchange students will be required to fully comply with institutional COVID-19 protocols as well as adhere to any other health and safety measures that will be in place for all other students in accordance with health guidance issued by the Illinois Department of Public Health. The University maintains a central website for COVID-19 support and guidelines at Illinois.

This is updated regularly as circumstances change. Please review the university's current [COVID website](#) for the most updated information.

**Vaccination Requirement:** All on-campus students will be required to be fully vaccinated for COVID-19 (defined as 14 days after the final dose) with a university-accepted vaccine before beginning the fall semester. Read details on the [Covid-19 guide for students](#).

**Mask requirements:** All members of the university community are required to wear face coverings inside university facilities.

**Students are required to have two negative tests:**

The students will be required to have two negative tests before in-person instruction on-campus will begin at Illinois. The students will attend classes online from their hotel rooms until the second negative COVID-19 test results are received.

1. The negative test results should be at least three days apart.
  - a. The three-day requirement between tests is mandated even though the students are fully vaccinated.
2. The students' PCR test before departing South Korea will serve as the first test.

3. The students will need to send documentation verifying their test results.
  - a. The students are required to upload their vaccination records and their negative COVID-19 test results via a university health portal.
4. GET will arrange for the students' first on-campus test three days after the date of their first verified results in South Korea.

**Testing protocols:** the University has developed its own robust system of testing and contact tracing for the virus, and makes testing widely available to students and staff.

**BEFORE GETTING TESTED:** You should refrain from eating, drinking, tooth brushing, mouth washing, gum chewing, and tobacco use for at least one hour before submitting your saliva sample at the test location.

Make sure you bring your current iCard or have the Illinois app downloaded.

**THE TESTING PROCESS:** You will be asked to provide a saliva sample. The sample collection only takes a few minutes. Typical test results are expected within 12 hours, but results could take up to 48 hours.

Additional details: <https://covid19.illinois.edu/health-and-support/on-campus-covid-19-testing/> GET is requiring UNIST students to test every other day.

**Smartphone App Requirement:** The University staff and students should download and use the *IllinoisApp*, which has resources about COVID-19, including a place to view COVID test results and show current building access status. <https://covid19.illinois.edu/health-and-support/safer-illinois-app/>

**COVID-19 Safety Training:** For your safety and the safety of others, you are required to take the provided training before coming to campus. The training takes 15-20 minutes to complete. Chrome or Firefox browsers are recommended. [Take the COVID-19 SAFETY Training](#)

## COVID-19 Safety Guidelines

**for the UNIST "AI and Big Data" Winter Camp 2022 at the University of Illinois Urbana-Champaign**

*Note: these guidelines may be subject to change as circumstances evolve, based on any updated guidance from public health officials and the University*

1. Students participating in the winter camp are required to be fully vaccinated with a CDC/WHO approved vaccine (14 Days prior).
2. All university visitors, students, faculty, and staff must wear a face covering in university spaces indoors, regardless of vaccination status. Individuals who are not vaccinated are required to wear a face covering in university spaces indoors, as well as outdoors when they cannot practice social distancing.

3. Students are required to participate in the COVID PCR testing on arrival and every other day through the duration of their program at Illinois.
4. Students should download the Illinois App or bookmark the COVID-19 Boarding Pass to use in gaining access to university buildings.
5. A staff member from the office of Global Education and Training (GET) will check the students' Building Access Status daily
6. All persons, regardless of vaccination status, should remain home if they are ill. If you begin to show symptoms of COVID, you will be required to quarantine until you receive a negative COVID PCR Test.
7. In addition to masking, we will plan for the students to have assigned seating and also allow for social distancing in the classroom.

## **Student Self-Monitoring for COVID-19**

It is important that students remain vigilant for signs and symptoms of COVID-19. People with COVID-19 have had a wide range of symptoms reported – ranging from mild symptoms to severe illness.

Symptoms may appear 2-14 days after exposure to the virus. Anyone can have mild to severe symptoms.

### **COVID-19 Symptoms may include:**

Fever or chills Cough  
Shortness of breath or difficulty breathing Fatigue  
Muscle or body aches Headache  
New loss of taste or smell Sore throat  
Congestion or runny nose Nausea or vomiting Diarrhea

Students should watch for symptoms and conduct personal wellness checks before arriving to class each morning, and mid-day if applicable. If you experience any of these symptoms, please notify a GET staff member immediately. You may be asked to get tested for COVID-19, isolate, or quarantine depending on the test results.

Y or N: Have you felt feverish? Y or N: Do you have a cough?

Y or N: Do you have a sore throat?

Y or N: Have you been experiencing difficulty breathing or a shortness of breath? Y or N: Do you have muscle aches?

Y or N: Have you had a new or unusual headache (e.g., not related to caffeine, diet, or hunger, not related to history of migraines, clusters, or tension, not typical to the individual)?

Y or N: Have you noticed a new loss of taste or loss of smell?

Y or N: Have you been experiencing chills or rigors (rigors: a sudden feeling of cold with shivering accompanied by a rise in temperature)?

Y or N: Do you have any gastrointestinal concerns (e.g., abdominal, pain, vomiting, diarrhea)?

Y or N: Is your roommate displaying any symptoms of COVID-19?

Y or N: To the best of your knowledge, have you or anyone in your household come into close contact with anyone who has tested positive for COVID-19 (close contacts include household contacts, intimate contacts, or contacts within 6-ft for 15 minutes or longer)

## On Campus during Covid-19

University of Illinois Urbana-Champaign is providing information on plans to maximize the health and safety of our students, faculty, staff and university community during the Covid-19 pandemic. The webpage <https://covid19.illinois.edu/#> provides university policies and regulations during the Covid-19 pandemic.

An effective testing program is a crucial part of minimizing the spread of Covid-19 in a community, and testing innovations developed by the University of Illinois Urbana-Champaign are helping in-person activities to resume on campus.

Spring 2022 Guidelines & Returning to Campus

On-Campus Covid-19 Testing

<https://covid19.illinois.edu/health-and-support/on-campus-covid-19-testing/>

On-Campus Covid-19 Testing Locations

<https://covid19.illinois.edu/health-and-support/on-campus-covid-19-testing-locations/>

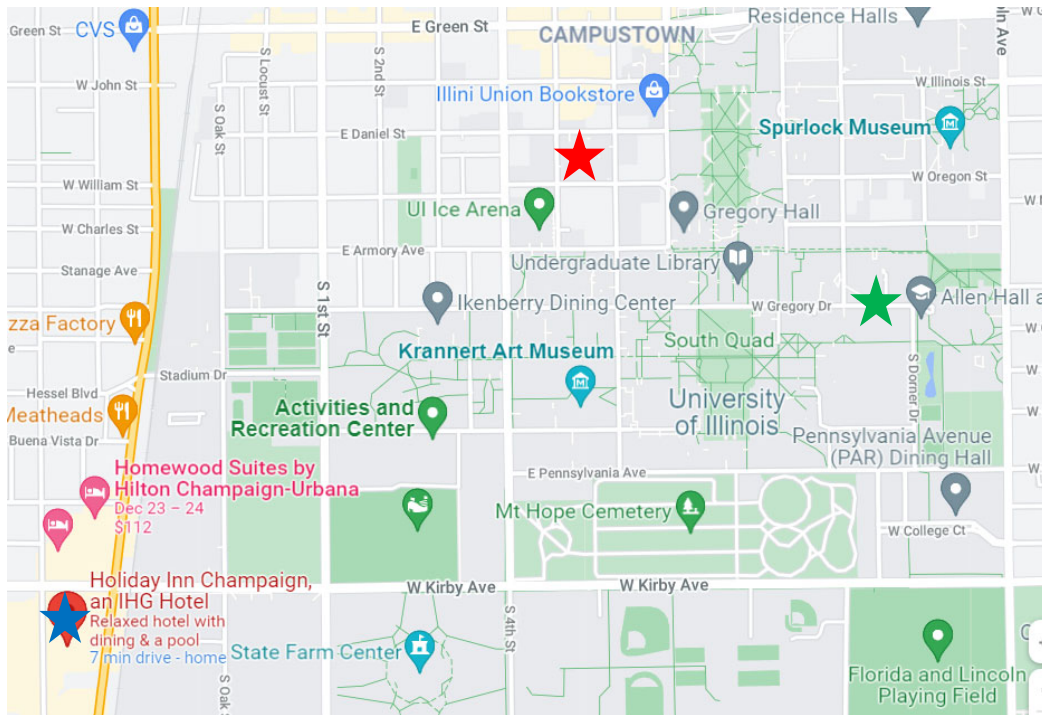

Illinois App <https://covid19.illinois.edu/health-and-support/safer-illinois-app/>

Building Access <https://covid19.illinois.edu/on-campus/building-access/#>

## Campus Map

There are 353 main campus buildings spread out across 2.8 square miles (1,783 acres).

Searchable map: <http://illinois.edu/map/view>

### Key locations

-  Holiday Inn Champaign
-  School of Information Sciences (iSchool)
-  Campus Recreation Center East (CRCE)

## Cell Phones

If you plan to purchase a cell phone upon your arrival, there are several options for you short-term or long-term. There are options which allow you prepay, and there are options to pay monthly for a certain amount of data, call, and text. We suggest visiting a store such as Walmart or Best Buy which have many options for cell phone purchase. Below are some suggestions for cell phone providers:

### [Simple Mobile](#)

\$25/month plan with unlimited calling, texting, and 3GB of data per month. May need to add a Global Calling Card for making calls to Saudi Arabia.

### [Tracfone](#)

Offers plans for as low as \$15/month through reliable providers like AT&T, Verizon, and T-Mobile. Easy to cancel. Check International calling rates\*

### [Verizon](#)

Offer unlimited plans that range from \$40-\$80/month. This is more of a long-term option, but it is a reliable provider.

### [StraightTalk](#)

Offers multiple different plans ranging from \$30-\$60 a month. The \$60/month option gives you 10GB of data and unlimited worldwide calls and texts.

### [T-Mobile Prepaid](#)

Different plans to choose from starting at \$3/month, but the best deal is unlimited talk, text, and 10GB of data/month for \$40/month.

## Transportation

A great overview of information (ridesharing, bus, train, biking, airports, etc.) is detailed in the guide here:

<https://humanresources.illinois.edu/assets/docs/Near-and-Far-Without-A-Car.pdf>

## CUMTD Bus Service

CUMTD stands for Champaign-Urbana Mass Transit District. CUMTD website:

<https://www.cumtd.com/>

Your student ID serves as your bus pass. You do not need to show your ID at the bus stop, unless asked by the driver, as bus passes are typically not checked on campus. Pull the yellow rope or press the red stop button when you are ready to get off. The bus schedules vary depending on what day it is (weekday, Saturday, or Sunday) and what time of day it is. **You can download the “Illini Bus” app for directions to all places and stops, as well as time schedules.**

With STOPwatch on the CUMTD website <https://mtd.org/>, you can search bus stops and with automated displays at all major stop locations, you will always know when your next bus is scheduled to depart.

The webpage <https://mtd.org/inside/covid-19/> offers CUMTD Covid-19 related updates.

## RideSharing

Common ridesharing options available on campus include *Uber*, *Lyft*, *Campus ZipCars*, and *VeoRide*.

**Uber** - Download the *Uber* app and schedule a ride after indicating your destination and location. <https://www.uber.com/global/en/cities/champaign/>

**Lyft** - *Lyft* is another app that allows you to request for a driver to pick you up and take you to your destination. <https://ride.lyft.com/>

**ZipCars** - Rent a car on campus for a certain amount of time, at rates from \$9.5/hours and \$79/day. Check out their website for more details and car location.

<https://www.zipcar.com/universities/university-of-illinois-champaign-urbana>

**VeoRide** - Download the VeoRide app and be able to rent bikes to get across campus at a low cost. <https://www.veoride.com/uiuc/>

## Computer Labs and Libraries

The University library, the largest public university research library in the United States, has over 24 million books and audiovisual media items for students' use, as well as computer labs. The graduate program in Library and Information Science at Illinois is ranked first in the nation. Library website: <http://www.library.illinois.edu/>

There are over 30 different libraries that you can visit and find a good place to study. You can check the opening hours easily at the web link provided above. The biggest and most commonly used libraries are the ACES (Funk) Library, the Engineering (Grainger) Library, the Law Library, the Main Library (shown in the photo above), and the Undergraduate (UGL) Library.

There are a number of computer labs across campus that provide reliable computer and printing access to students, faculty, and staff. You can find a list of the locations and opening hours here: <https://techservices.illinois.edu/services/computer-labs/computer-lab-locations-and-hours>

The Undergraduate (UGL) Library and the computer lab in the basement of the Illini Union are two particularly convenient options with lots of computers available and good open hours.

## Wifi and Internet

The wifi network you will be using during your stay will be IllinoisNet, which is available to access anywhere on campus.

### To login to IllinoisNet

1. Confirm that your Wi-Fi is turned on.
2. Click on the wireless icon in your task bar or menu bar.
3. Select IllinoisNet from the list of networks. If IllinoisNet does not appear on the list, IllinoisNet might not be available in your location.
4. If you are prompted for a username and password, enter your NetID and Active Directory (AD) password, respectively.
5. If you are asked to "Make sure IllinoisNet is expected in this location", click Connect. If you are prompted to select the network location, select "Public".
6. Open an Internet browser and navigate to a web page such as [housing.illinois.edu](http://housing.illinois.edu) to confirm that your connection is working. You may need to completely quit the browser to do this.

More information can be found at:

<https://housing.illinois.edu/Resources/Technology/Internet/wireless-connection>

## Visitor Card (icard)

Your visitor card will primarily be used to access campus recreation facilities.

Report a lost or stolen ID card immediately! When you report a loss or theft, your card is deactivated permanently so that no one can misuse it. This precaution helps protect you and the campus community. It costs \$20 to replace a visitor card that is lost, stolen, or damaged.

**ID Center:** 217-244-0135

**Campus police:** 217-333-1216

Illini Union Bookstore, First Floor

809 S. Wright St., Champaign

Email: [idcenter@illinois.edu](mailto:idcenter@illinois.edu)

**Hours:** Monday to Friday, 9:00 am to 5:00 pm

Note: The ID Center is closed on designated holidays and whenever the [Illini Union Bookstore](http://illiniunion.org) is closed.

## Campus Recreation

The main campus recreational facilities are located in the ARC. For recreation and exercise, the Activities and Recreation Center (ARC) at Illinois comprises 340,000 square feet, one of the country's largest on-campus recreation centers. The ARC provides recreational programs, facilities, and services to the campus community. There is also Campus Recreation Center East (CRCE) which is another recreation facility that is closer to the quad. The University of Illinois Ice Area is another recreation center where students can ice skate at a discount with their iCard. Students have access to campus recreation facilities by showing their iCard and Illinois App Status. If there are issues with accessing serves at the ARC, students can go to the Member Services Desk and show them your iCard and telling them you're an Intensive English Institute student.

**Campus recreation** <https://campusrec.illinois.edu/>

**Campus recreation facilities operation hours** <https://campusrec.illinois.edu/facilities/hours-of-operation>

### **Activities and Recreation Center (ARC)**

<https://campusrec.illinois.edu/facilities/activities-and-recreation-center-arc/>

Wednesday, January 5 – Wednesday, January 12

Monday-Friday: 11:00am-6:00pm; Saturday-Sunday: 11:00am-3:00pm

Thursday, January 13, 11:00am-9:00pm

### **Campus Recreation Center East (CRCE)**

<https://campusrec.illinois.edu/facilities/campus-recreation-center-east-crce/>

Order food online (delivery/pick up)

**Grubhub** <https://www.grubhub.com/delivery/il-champaign>

**Ubereats** <https://www.ubereats.com/>

**What do I need to know about going to a restaurant?**

At most restaurants, except fast food, the waiter usually gives you a little folder and a pen when you finish your meal. The bill is in the folder. Since the bill only includes the cost of food, it is customary to pay a tip as the wage and appreciation to the service and waitstaff. Generally, you may pay 10%-20% of your bill as tips for lunch and 15%-20% for dinner if you are satisfied with the service. Write the tip amount in the blank marked "Tips/Gratuity " on the bill, total the amount of payment (including tips), and sign your name. If you use cash, put the cash for the total amount of payment (including tip) in the folder. Tipping at fast food restaurants/coffee shops is optional, but they may have a "tip jar" on the service counter.

---

## Safety and Security

The University of Illinois is a very secure environment and has its own fully authorized police department. However, participants should be cautious with their personal belongings and avoid walking alone at night.

### Emergency Numbers

Police/Fire/Ambulance: **911**

University of Illinois Police (non-emergency): **217-333-1216**

**In the event of an emergency, call 911.** This is the emergency number that works anywhere in the United States. You can call this number for free from any phone in the event of a medical emergency, crime, fire, or for any other situation that you deem an emergency.

Campus safety tips:

<http://police.illinois.edu/services/campus-safety-tips/>

General Emergency Response Recommendations:

[Emergency Response Guide](#)

[Run > Hide > Fight](#)

[Building Emergency Action Plans](#)

You can also email the campus police for non-emergencies by sending a message to [police@illinois.edu](mailto:police@illinois.edu). Their website is located at <http://police.illinois.edu/>. Follow U of I Police on Twitter at [@UIPD](#).

### **Sign up for Illini-Alerts!**

Illini-Alert is used for incidents which present an imminent threat to life, health, or safety to the general campus population. These messages provide emergency information and instructions for personal protective actions. Illini-Alert sends email and text messages, posts to Twitter, and triggers the Emergency Web Alert System for university websites.

- Text messaging: receive Illini-Alert messages by cellphone by texting "IlliniAlert" to 226787.
- Email: Enroll up to three email addresses at [emergency.illinois.edu](http://emergency.illinois.edu)
- Twitter: Follow [@IlliniAlert](#) on Twitter
